The All Saints' Academy Legacy Funds

All Saints' Academy is a college preparatory school, PreK-3 through twelfth grade, affiliated with the Episcopal Church. Its mission is to nurture the development of each student: academically, spiritually, socially, emotionally, and physically in preparation for a successful and productive life in a complex world.

The All Saints' Academy Funds within the Community Foundation of Greater Lakeland were established to support the vision and mission of the school. These funds allow All Saints' the flexibility to provide financial assistance to deserving students as well as support the continuous growth and development of a quality independent school education.
