Achievement Academy is a non-profit United Way agency and Charter School. Achievement Academy offers many vital services to children with special needs in Polk County. The Academy is committed to creating brighter futures for children with special needs and their families by providing early intervention through: support, therapy and education, advocacy and resources. Achievement Academy has served individuals with developmental delays/disabilities for over 50 years. The Academy currently serves children from birth through developmental pre-kindergarten with a comprehensive early intervention program.

The Achievement Academy Endowment Fund within the Community Foundation of Greater Lakeland was established to help support the mission and goals of the agency.
