

The SPCA Fund

The SPCA, Inc. located in Lakeland, FL has been providing aid, comfort, and lifetime homes for abandoned or suffering animals since 1979. Through our Adoption Center and low-cost Wellness Clinic, we are able to keep pets happy and healthy. The SPCA is also proud to offer low-cost Spay/Neuter services to the public with special fees based on income.

It is our mission to reduce pet overpopulation and raise general awareness of what it means to be a responsible pet owner. We strive every day to bridge the gap between animals and people.

The SPCA Fund was established to create a source of income to support the organization for years to come.
